Activity
**Demonstration of Vernier Calliper &
Micrometer Screw Gauge**

Date: 05/08/2025

Notice

All the student of B. Sc. I students are here by informed that the Department of Physics conducting the activity entitled “Demonstration of Vernier Calliper & Micrometer Screw Gauge” dated 06/08/2025.

All the student are requested to be present for the activity.

Venue: Department of Physics

Time: 11:00 am

Head

Department of Physics
Karmaveer Bhaurao Patil College

Activity

Demonstration of Vernier Calliper & Micrometer Screw Gauge

Date: 06/08/2025

Activity Title: Demonstration of Vernier Calliper & Micrometer Screw Gauge

Target Audience: B.Sc. I

❖ Objective of the Activity:

The objective of this activity was to introduce newly admitted B.Sc. I students to the practical labs and demonstration of Vernier Calliper & Micrometer Screw Gauge, provide an overview of the practical sessions in physics.

❖ Summary of the Activity:

The session was conducted by Ms. Yogita Methe, Assistant Professor, KBP College, Urun-Islampur. Summary of the session is as follows:

❖ Outcome of the Activity:

- ✚ Students gained clarity on the physics practical.
- ✚ They became familiar with parts of instruments.
- ✚ The session helped students to take measurements using Vernier calipers and Micrometer Screw Gauge
- ✚ It encouraged students to take an active interest in practical sessions.

❖ Feedback:

The feedback from the students and faculty members was overwhelmingly positive. The students appreciated the clarity of Miss. Methe's explanations and the relevance of the topics discussed. They were particularly excited about the practical sessions.

❖ Conclusion:

The activity conducted by the Department of Physics was highly beneficial for first-year students. It successfully introduced them to basic instruments such as vernier calliper and micrometre screw gauge, and motivated them to take active interest in the practical sessions.
