Activity
Celebration of Karmaveer Jayanti

Date: 22/09/2025

Activity Title: Celebration of Karmaveer Jayanti

❖ Objectives:

- ✚ To commemorate the birth anniversary of *Karmaveer Bhaurao Patil*, the great social reformer and educationist.
- ✚ To inspire students by reflecting on Karmaveer Bhaurao Patil's and Laxmibai Patil's contribution towards education for the underprivileged.
- ✚ To inculcate moral and social values among students through educational and social activities.
- ✚ To encourage participation and creativity among students through competitions and presentations.
- ✚ To promote teamwork and awareness about social responsibilities among the youth.

❖ Summary of Activities:

As part of the Karmaveer Bhaurao Patil Jayanti celebrations, the college organized a series of events and competitions across all departments. Various activities such as **Reel Making Competition, Essay Competition, Speech Competition, and Social Outreach Program** were conducted to honor the legacy of Karmaveer Bhaurao Patil.

On behalf of the college, faculty and students collectively contributed to **flood relief efforts**, extending help to students and families affected by the recent floods. This act truly reflected the principles of service and humanity propagated by Karmaveer Bhaurao Patil.

➤ Department of Physics Activities

✚ **Online Quiz Competition:** The Department of Physics conducted an *Online Quiz Competition* based on the life, work, and ideals of Karmaveer Bhaurao Patil. Students from all years participated enthusiastically. The quiz aimed to spread awareness about his contribution to education and social reform.

✚ **Kit Presentation by Third-Year Students:** Third-year Physics students designed and presented an **educational kit** that depicted real-life events and struggles of Karmaveer Bhaurao Patil and his wife, Laxmibai Patil, along their journey of establishing the *Rayat Shikshan Sanstha*. The kit highlighted innovative, low-cost teaching models inspired by their vision of “*Education for All*”, regardless of caste, gender, or economic background.

❖ Outcomes:

- ✚ Students gained deeper insight into the life and mission of Karmaveer Bhaurao Patil.
- ✚ Participation in the quiz enhanced knowledge and awareness about social reformers and educational movements in India.
- ✚ The kit presentation encouraged creativity, teamwork, and application of physics concepts in real-life educational contexts.
- ✚ Students developed a sense of empathy and social responsibility through the flood-relief activity.
- ✚ The event strengthened inter-departmental collaboration and promoted the values of equality, hard work, and education.

❖ Feedback:

- ✚ **Students:** Expressed great enthusiasm for the quiz and appreciated the opportunity to learn about Karmaveer Bhaurao Patil in an engaging way.
- ✚ **Faculty:** Commended the students’ innovative kit presentation and active participation in social service.

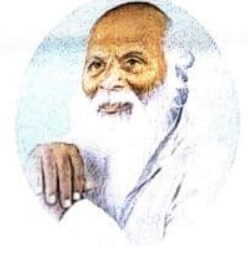

- ✚ **Participants:** Shared that the activities helped them connect moral values with academic knowledge.
- ✚ Overall feedback was overwhelmingly positive, with suggestions to continue such theme-based academic activities every year.

❖ **Conclusion:**

The celebration of *Karmaveer Bhaurao Patil Jayanti 2025* at KBP College successfully honored the visionary's legacy of selfless service and dedication to education. Through various competitions, social outreach, and innovative presentations, students not only learned about Karmaveer's contributions but also imbibed his principles of perseverance, equality, and humanity. The Department of Physics played an active role in promoting these values through its quiz competition and creative kit presentation, making the event both educational and inspiring.
